RE: Clarification of Funding Allocation for 31 MCI Purchase

Dear Commissioners,

In your May 3, 2018 Board Kit, Item 11-A regarding the authorization to purchase thirty-one (31) MCI buses, indicated that funding would be provided by a breakdown of 68 percent state, 28 percent Federal, and 4 percent local. However, funding allocations have been finalized and the state will be providing 66.63 percent, 29.37 percent Federal and 4 percent local. In addition, the contingency budget has been readjusted to 2 percent rather than 5 percent for a total amount of \$18,309,562.

This change in allocation does not impact the local funding required to purchase these vehicles.
