

HOW DOES IT WORK?

Eligible passengers will receive an OmniRide Access ID card once they complete the eligibility process. After receiving the ID card, passengers may request trips at least 24 hours in advance.

Trained Personal Care Attendants may ride for free with an eligible passenger. Other companions, including children, must pay the full fare. When booking a trip, please be sure to mention whether you will be accompanied by a Personal Care Attendant, companion, or service animal.

Those who are eligible for OmniRide Access also qualify for reduced fares on OmniRide's fixed-route buses. Just show your OmniRide Access ID card to the bus operator when boarding.
