SUBJECT: November 5, 2020 Commission Meeting Agenda Packet

---

The November 5, 2020 Commission meeting will be held electronically beginning at 7:00 p.m. The Executive Committee will not meet in November.

Electronic meetings in which a quorum is not physically assembled in one location are permissible when the Governor has declared a state of emergency and it is unsafe to assemble a quorum in a single location.

The Zoom meeting will be livestreamed over PRTC's YouTube channel, providing the public an opportunity to watch the meeting in real time. In lieu of holding public comment time during the meeting, the public will be able to submit any comments they have in writing. We will advertise the changes to the meeting in accordance with our Bylaws.

The November 5<sup>th</sup> meeting agenda and supporting documents should be reviewed prior to the meeting. The materials are posted at [omniride.com/about/events/november-2020](https://omniride.com/about/events/november-2020). Print copies will not be mailed this month to help reduce the number of staff working from the Transit Center. Commissioners who would like a printed copy can download a complete agenda packet using this link.

If you have any questions regarding the agenda or any other item in the online board meeting packet, please contact me at (703) 580-6117 or via email at [bschneider@omniride.com](mailto:bschneider@omniride.com).
