

## HOW DOES IT WORK?

Eligible passengers will receive an OmniRide Access ID card once they complete the eligibility process. After receiving the ID card, passengers may request trips for the next service day and no more than 14 days before the time of the trip. OmniRide Access does not accept same-day trip reservations.

Trained Personal Care Attendants may ride for free with an eligible passenger. Other companions, including children, must pay the full fare. When booking a trip, please be sure to mention whether you will be accompanied a Personal Care Attendant, companion, or service animal.

Those who are eligible for OmniRide Access also qualify for reduced fares on OmniRide's fixed-route buses. Just show your OmniRide Access ID card to the bus operator when boarding.
