## EASTERN PWC ROUTES | LOCAL SERVICE RESTRUCTURE

# WELCOME ABOARD!

In June 2024, OmniRide will restructure the Local service that operates in eastern Prince William County. The goal is to expand the service footprint, serve new destinations and to streamline the Local service and make it more efficient. Buses operating in the eastern Prince William area will no longer make off-route trips. Instead, OmniRide will introduce our OmniRide Access paratransit service for residents with disabilities. The Access service will operate within  $\frac{3}{4}$ -mile of all Local bus routes. To use the Access service, riders must complete a registration process.

Please keep reading for an overview of the Local service that OmniRide will provide in eastern Prince William, starting June 2024. Visit **OmniRide.com** or contact our Transportation Support Team for further information.
